

**REMARKS**

**Claim Rejections**

Claims 1-10 are rejected under judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1, 3, 2, 1, 2, 5, 5, 6 and 6, respectively of U.S. Patent No. 6,702,388 in view of Stewart.

**Drawings**

It is noted that no Patent Drawing Review (Form PTO-948) was received with the outstanding Office Action. Thus, Applicant must assume that the drawings are acceptable as filed.

**Double Patenting**

Pursuant to 37 C.F.R. §1.321(c), a Terminal Disclaimer for claims 1-10 is submitted herewith. Acknowledgment of the receipt of this document is respectfully requested.

**Claim Amendments**

By this Amendment, Applicant has canceled claim 2 and has amended claims 1, 3 and 4 of this application. It is believed that the amended claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Applicant's amended claim 1 comprises a combination of original claims 1 and 2, thus redrafting claim 2 in independent form. Applicant's amended claim 4 comprises a combination of original claims 1 and 4, thus redrafting claim 4 in independent form.

Application No. 10/758,078

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: May 16, 2005
